Faucets 4-5

Plumbing5-9

Hardware9-10

Water Pressure Regulator

- Reduces incoming water pressure to a consistent 45-50 PSI
- Female swivel garden hose thread inlet with extra-large grips
- Male garden hose thread outlet
- Durable brass construction
- With filter-style hose washer to prevent sediment from entering water system

PART NO.	DESCRIPTION	CTN/MSTR
RVP093	40-50# Pressure Input Regulator	3/24

Drinking Water Hose, 25', White

- 5/8" in diameter for full water flow
- BPA and phthalates free
- Cast aluminum couplings are naturally lead free, corrosion resistant and crush resistant
- Compliant with state and federal safety laws
- Great for marine use
- Garden hose washer included

PART NO.	DESCRIPTION	CTN/MSTR
RVP162	Drinking Water Garden Hose - 25'	1/2

Filter Hose Washers

- Compatible with standard garden hose fittings, washing machine inlet hoses and household appliances
- Made with quality rubber material and corrosion-resistant mesh
- For use with all RV water hook-ups

PART NO.	DESCRIPTION	CTN/MSTR
RVP166	3-Pack Filter Hose Washers	6/24

Metal Dual Shut-Off Hose Wye

- Chrome plated finish
- Compatible with standard garden hose threads
- Use dual shut-off control to operate both hoses at once or run each individually
- Quality construction and materials resist natural wear and tear
- Intended for fresh water sources and standard RV plumbing
- Outdoor use only
-

PART NO.	DESCRIPTION	CTN/MSTR
RVP002	Metal Hose "Y" With Shut-offs	6/24

Plastic Hose Shut-Offs

- Compatible with standard garden hose threads
- Use dual shut-off control to operate both hoses at once or run each individually
- For outdoor use only
- Rust-resistant ABS plastic

PART NO.	DESCRIPTION	CTN/MSTR
RVP169	Plastic Hose "Y" With Shut-Offs	6/24

- Easily adjust water flow and pressure
- Compatible with standard garden hose threads
- Washer included
- For outdoor use only
- Rust-resistant ABS plastic

PART NO.	DESCRIPTION	CTN/MSTR
RVP157	Plastic One Way Hose Shut-Off	6/24

90° Garden Hose Elbow

- For outdoor use with standard garden hose threads
- Lead free brass construction increases durability and corrosion resistance
- Swivel end makes connection easy
- 90° angle reduces crimping and strain

PART NO.	DESCRIPTION	CTN/MSTR
RVP167	MGHT x FGHT x 90° Adapter, Brass	6/24

Waste Hose/Sewer Hose

- Ultra-durable and corrosion resistant plastic, ribbed hose reinforced with wire
- Stretches up to 20 ft.
- Can be easily manipulated to suit your needs
- Collapses to 20 in. for easy & convenient storage
- 3" Diameter fits standard RV waste fittings
- 90-Day Limited Warranty

PART NO.	DESCRIPTION	CTN/MSTR
RVP148	Waste Hose, 3" x 20'	2/12

Waste Hose Clamps

- 2 Pack
- No tools required; features a thumb grip to twist for easy installation
- 2-1/2" - 3-1/2" range in diameter
- Stainless steel for corrosion and rust resistance
- Wing nuts are constructed from durable plastic
- Secure fit to prevent harmful and messy leaks

PART NO.	DESCRIPTION	CTN/MSTR
RVP159	Vent/Waste Hose Clamps With Wing Nuts	5/100

Blow Out Plug

- Use to winterize recreational vehicles
- Compatible with standard tire air chuck
- Schrader-style air valve with cap
- Standard male hose threads

PART NO.	DESCRIPTION	CTN/MSTR
RVP046	Blow Out Plug	10/30

Waste Cap

- Contains waste while on the road
- 3" Bayonet style connection cap fits most RV waste systems
- Complete ear-and-gasket sealing system
- Rugged black ABS construction
- Complete with tether
-

PART NO.	DESCRIPTION	CTN/MSTR
RVP141	Black Sewer Cap, 3"	4/24

Waste Cap With Garden Hose Attachment

- Contains waste while on the road
- With garden hose attachment for flushing out tanks and water systems
- 3" Bayonet style connections cap for RV waste systems
- Standard bayonet style connection ears
- Complete ear-and-gasket sealing system
- 3/4" Garden hose flush attachment with washer in
- Complete with tether

PART NO.	DESCRIPTION	CTN/MSTR
RVP077	Black Waste Cap With Garden Hose Attachment	4/24

Waste Hose Coupler

- Use to repair existing hose or to attach two hoses together for a longer reach
- Fits all 3 in. RV waste hoses
- Rugged black ABS construction

PART NO.	DESCRIPTION	CTN/MSTR
RVP144	Coupling, 3"	6/24

Waste Hose Adapters

- Connects a 3" hose to a RV dump valve
- Fits any 3" RV Bayonet connection
- 45° Hose adapter for tight spaces
- 45° Angle helps prevent kinking of the drain hose
- Rugged black ABS construction

PART NO.	DESCRIPTION	CTN/MSTR
RVP145	Black 45° Hose Adapter, 3"	4/24

- Connects a 3" hose to a RV dump valve
- Will fit into any 3" waste hose
- Rugged black ABS construction

PART NO.	DESCRIPTION	CTN/MSTR
RVP142	Straight Hose Adapter, 3"	6/24

- For use with RV waste hose connections
- Works with any 3" RV waste hose
- Straight male threaded hose adapter
- Rugged black ABS construction

PART NO.	DESCRIPTION	CTN/MSTR
RVP143	Hose Male Adapter, 3"	4/24

Electrical Plug Adapters

- 30 Amp male to 15 Amp female
- Converts 30 Amp outlet to 15 Amp outlet
- Appropriate for use with 15 Amp rated electrical products
- Narrow for use in tight spaces
- Safe for outdoor use

PART NO.	DESCRIPTION	CTN/MSTR
RVP150	15 Amp Plug Adapter	8/24

- Compact, weather resistant adapter suited for outdoor outlet use
- Converts to 30 Amp for most recreational vehicles
- Rated for standard 15 Amp outlets

PART NO.	DESCRIPTION	CTN/MSTR
RVP008	30 Amp Plug Adapter	8/24

Electrical Hook-Up Cord

- Male to female 30 Amp cord
- 10/3 STW 30 Amp 125V
- The -20°F cold weather jacket keeps wiring flexible in inclement weather
- Heavy duty pull-out handles for ease of use
- Pull-out handles make it easy to plug in and unplug from electrical hookups
- Fly-away tag

PART NO.	DESCRIPTION	CTN/MSTR
RVP096	25' Hook-Up Cord	2/6

Electrical Hook-Up Adapters / Dogbones

- 15 Amp male to 30 Amp female
- 12/3 SJTW 30 Amp 125V
- The -20°F cold weather jacket keeps wiring flexible in inclement weather
- Pull-out handles make it easy to plug in and unplug from electrical hookups

PART NO.	DESCRIPTION	CTN/MSTR
RVP097	12" Male Electrical Hook-Up Cord	2/24

- 30 Amp male to 15 Amp female
- 12/3 SJTW 30 Amp 125V
- The -20°F cold weather jacket keeps wiring flexible in inclement weather
- Pull-out handles make it easy to plug in and unplug from electrical hookups

PART NO.	DESCRIPTION	CTN/MSTR
RVP098	12" Female Electrical Hook-Up Cord	2/24

- 30 Amp male to 50 Amp female
- 10/3 STW 30 Amp 125V
- The -20°F cold weather jacket keeps wiring flexible in inclement weather
- Pull-out handles make it easy to plug in and unplug from electrical hookups

PART NO.	DESCRIPTION	CTN/MSTR
RVP094	18" Male Electrical Hook-Up Cord	2/16

- 50 Amp male to 30 Amp female
- 10/3 STW 30 Amp 125V
- The -20°F cold weather jacket keeps wiring flexible in inclement weather
- Heavy duty pull-out handles for ease of use
- Pull-out handles make it easy to plug in and unplug from electrical hookups

PART NO.	DESCRIPTION	CTN/MSTR
RVP095	18" Female Electrical Hook-Up Cord	2/16

Trailer And Towing

- 7-Way wiring connector for brake light and turn signal controls between trailer and vehicle
- ABS construction is corrosion and impact resistant
- For trailer end use only
- Wiring guide included on package

PART NO.	DESCRIPTION	CTN/MSTR
RVP011	7-Way Trailer-End Electrical Connector	4/24

- 7-Way wiring connector for brake light and turn signal controls between trailer and vehicle
- ABS construction for durable, outdoor-safe use
- For vehicle end use only
- Wiring guide included on package

PART NO.	DESCRIPTION	CTN/MSTR
RVP012	7-Way Vehicle-End Electrical Connector	4/24

- Features color-coded wiring with diagram on back of packaging for easy installation
- Both trailer and vehicle ends included
- Molded connectors make for great connection
- 12" Wire gives plenty of leeway for making turns and taking corners

PART NO.	DESCRIPTION	CTN/MSTR
RVP047	Flat 4 Way Connector With 12" Wires	10/30

Electronics

- Continuous HD recording with instant video save button
- 120° wide angle lens for full windshield coverage
- Integrated microphone, speaker and 1-1/2" LCD display
- Quick and clean suction cup mounting
- Includes:
 - 12V car charger
 - Micro-USB power cable
 - 8GB micro SD card

PART NO.	DESCRIPTION	CTN/MSTR
RVP186	Wide Angle Video Dash Cam	2/8

- Two quick steps and your vehicle is wireless
- Hands-free phone answering
- Charges your smartphone or tablet
- Play and stream music from USB drive
- Works with Apple, Samsung, LG, HTC Google, Motorola and more

PART NO.	DESCRIPTION	CTN/MSTR
RVP182	Bluetooth FM Transmitter	2/40

- Hands-free phone answering
- Charges your smartphone or tablet
- TF (Micro SD) slot for audio playback
- LCD display for Caller ID and ID3 display from TF (Micro SD) card
- Play and stream music from USB drive
- 2.1A total output
- Works with Apple, Samsung, LG, HTC Google, Motorola and more

PART NO.	DESCRIPTION	CTN/MSTR
RVP187	Bluetooth FM Transmitter	3/9

- Receives local digital and analog TV broadcast signals
- Supports HDTV, 1080p
- Reception range of 40 miles
- 20dB amplification boosts weak signals and expands reception range to receive more signals over greater distance
- Multi-directional and reversible
- Includes 6' coaxial cable and AC/DC adapter

PART NO.	DESCRIPTION	CTN/MSTR
RVP184	HDTV Indoor Digital Antenna	2

- Receives local digital TV broadcast
- Supports HDTV
- Ultra thin – just 1/16" thickness
- Multi-directional and reversible
- Working Frequency: VHF 174 ~ 230MHz UHF 470 ~ 862MHz
- Built-in 3' 4" coaxial cable
- Includes mounting tape

PART NO.	DESCRIPTION	CTN/MSTR
RVP185	HDTV Indoor Digital Flat Antenna	10

Kitchen Faucet

- Chrome finish with clear acrylic handles
- Durable non-metallic construction
- 8" Swivel spout with aerator
- California Compliant flow rate
- 1/2" Shanks fit all standard faucet hook-ups

PART NO.	DESCRIPTION	CTN/MSTR
RVP121	CP Non-Metallic Kitchen Faucet Two-Handle Less Spray	2/6

One-Piece Tub/Shower Faucets

- Chrome finish with clear acrylic handles
- Includes chrome plated shower arm, flange and shower head
- Water supplies are 8" on center
- Straight shanks compatible with in-line shower outlet connections
- Durable non-metallic construction
- Pull-up style diverter mounted at the spout's nose
- California Compliant Flow Rate

PART NO.	DESCRIPTION	CTN/MSTR
RVP063	8" Two-Valve Tub Shower Faucet, Straight Shanks	2/12

- Chrome finish with clear acrylic handles
- Includes chrome plated shower arm, flange and shower head
- Water supplies are 8" on center
- Offset shanks compatible with slightly lower (offset) shower outlet connections
- Durable non-metallic construction
- Pull-up style diverter mounted at the spout's nose
- California Compliant Flow Rate

PART NO.	DESCRIPTION	CTN/MSTR
RVP066	8" Two-Valve Tub Shower Faucet, Offset Shanks	2/12

Shower Faucets

- Chrome finish with clear acrylic handles
- Fits 4" center concealed shower
- Surface mount with concealed outlet
- Chrome plated shower arm, flange and shower head
- Durable non-metallic construction
- Separate hot and cold controls
- California Compliant Flow Rate

PART NO.	DESCRIPTION	CTN/MSTR
RVP058	4" Concealed Shower Faucet	2/12

- Chrome finish with clear acrylic handles
- 8" Exposed faucet body
- Chrome plated shower arm, flange and shower head
- Shower outlet runs behind the wall
- California Compliant Flow Rate

PART NO.	DESCRIPTION	CTN/MSTR
RVP061	8" Exposed Shower Faucet	3/6

- Chrome finish with clear acrylic handles
- 4" center and exposed output threads
- Surface mount with exposed outlet for hand-shower hose
- Durable non-metallic construction
- Separate hot and cold controls

PART NO.	DESCRIPTION	CTN/MSTR
RVP059	4" Shower Faucet	6/12

Bathroom Faucet

- Chrome finish with clear acrylic handles
- Durable non-metallic construction
- High spout delivers excellent sink clearance
- California Compliant flow rate
- 1/2" Shanks fits all standard faucet hook ups

PART NO.	DESCRIPTION	CTN/MSTR
RVP127	CP Non-Metallic Bathroom Faucet Two-Handle Less Pop-Up	2/6

Garden Tub Faucets

- Chrome finish with clear acrylic handles
- Widespread placement style to fit most hole spacings
- 3-Hole mount
- Non-metallic body resists corrosion
- Uses commonly available replacement parts
- Perfect for RV and mobile homes

PART NO.	DESCRIPTION	CTN/MSTR
RVP158	Plastic Garden Tub Faucet	1/6

- Chrome finish with clear acrylic handles
- Widespread placement style to fit most hole spacings
- 3-Hole mount
- Brass body for durability
- Uses commonly available replacement parts

PART NO.	DESCRIPTION	CTN/MSTR
RVP085	Brass Garden Tub Faucet	1/6

Complete Tub/Shower Faucets

- Chrome finish with clear acrylic handles
- For 2-hole installation with tub diverter spout
- Includes diverter spout, shower arm, flange and shower head
- 8" Centers
- Durable brass body reduces corrosion
- 1/4-Turn washerless stems

PART NO.	DESCRIPTION	CTN/MSTR
RVP087	2-Handle Tub/Shower Faucet	1/6

- Chrome finish with clear acrylic handles
- 3-Hole installation with a center diverter control handle
- Includes spout, shower arm, flange and shower head
- 8" Centers
- Center acrylic handle allows the change from filling the tub to using the shower fast
- Durable brass body reduces corrosion
- 1/4-Turn washerless stems

PART NO.	DESCRIPTION	CTN/MSTR
RVP086	3-Handle Tub/Shower Faucet	1/6

Vanity Sink Drain Assembly

Finishes available:

- Universal design fits most RV, mobile home, and other vanity sinks without overflow
- Includes locknut and washer for easy and secure installation
- Durable, corrosion-resistant non-metallic construction
- Use putty or silicone caulk for a positive seal on the top (or sink) side of the drain (not included)
- 1-1/4" Diameter tailpiece

PART NO.	DESCRIPTION	CTN/MSTR
RVP074	Push/Pull Drain Assembly, Chrome Plated	4/20
RVP003	Push/Pull Drain Assembly, White	4/20
RVP129	Push/Pull Drain Assembly, Bone	4/20

Drain Stoppers

Finishes available:

- Keeps out debris and foreign objects
- Compatible with virtually all push-pull style drains
- Non-metallic construction is corrosion resistant
- Designed for 1-1/4" drain openings
- Drain assembly not included

PART NO.	DESCRIPTION	CTN/MSTR
RVP128	Push/Pull Drain Stopper, Chrome Plated	6/24
RVP004	Push/Pull Drain Stopper, White	6/24
RVP130	Push/Pull Drain Stopper, Bone	6/24

Pop-Up Drain Assembly Without Overflow

- Universal fit for use in most bathroom and vanity sinks without an overflow
- Durable, non-metallic construction for long lasting corrosion resistance
- Use putty or silicone caulk for a positive seal on the top (or sink) side of the drain (not included) Chrome finish on all exposed parts

PART NO.	DESCRIPTION	CTN/MSTR
RVP057	Pop-Up With Linkage, Less Overflow	3/24

Sink Strainer Assembly

- Chrome finish on all exposed parts
- Rugged, non-metallic construction is corrosion resistant
- Fits 2" - 2-1/2" diameter drains
- 1-1/2" Thread on discharge
- Use putty or silicone caulk for a positive seal on the top (or sink) side of the drain (not included)
- Includes strainer, locknuts and washers

PART NO.	DESCRIPTION	CTN/MSTR
RVP149	Plastic 2-1/2" Sink Strainer Assembly	4/12

Bathroom Sink Strainer Basket

- Stainless steel construction
- Rubber gasket gives a positive water-tight seal
- Includes post for easy removal
- Rolled edges
- 1/2" basket

PART NO.	DESCRIPTION	CTN/MSTR
RVP152	Small Sink Strainer Basket	6/24

Kitchen Basket Strainer

- For use in recreational vehicles, mobile homes and other applications
- Rolled edges
- Made from stainless steel
- Rubber gasket gives a positive water-tight seal

PART NO.	DESCRIPTION	CTN/MSTR
RVP079	Kitchen Basket Strainer Insert	6/24

Flat Sink/Shower Strainer

- Fits most standard 3-1/2" and 4" drain openings
- Outside diameter 4-3/8"
- Fits 3-1/2" diameter drain opening of sinks
- Fits 3" openings of mobile home stall showers
- 1-1/2" Threaded drain outlet to connect to tailpiece or trap
- Includes slip nut to connect to tailpiece
- Keeps out debris and foreign objects
- Durable stainless steel construction and finish

PART NO.	DESCRIPTION	CTN/MSTR
RVP054	4-1/2" Flat Sink/Shower Strainer	6/12

Bathtub Pull-Up Drains

- Designed for use in bathtubs in mobile homes and RVs
- Fits 1-1/2" drains
- Finish coordinates with most existing bathtub units
- Durable non-metallic construction is corrosion resistant
- Simple installation
- Use putty or silicone caulk for a positive seal on the top (or tub) side of the drain (not included)
- Pull up to open drain, push down to close the drain
- Includes all locknuts and washers needed

PART NO.	DESCRIPTION	CTN/MSTR
RVP083	Bathtub Pop-Stop Drain, Chrome Plated	5/15
RVP084	Bathtub Pop-Stop Drain, White	5/15

Toe-Touch Drain Assembly

- Chrome plated finish
- Locknut and washer are included for easy installation
- Zinc die cast construction and plastic pop-up assembly provides durability
- 1-1/2" Threads
- Use putty or silicone caulk for a positive seal on the top (or tub) side of the drain (not included)

PART NO.	DESCRIPTION	CTN/MSTR
RVP050	Chrome Plated Bath Drain, Touch-Toe	3/48

Grid Strainer Bath Drain

- Chrome plated finish
- 2-7/8" Overall OD
- Fits most 2" drain openings
- Washer and locknut included for easy installation
- Use putty or silicone caulk for a positive seal on the top (or tub) side of the drain (not included)
- Zinc die cast construction with stainless steel grid and screw

PART NO.	DESCRIPTION	CTN/MSTR
RVP051	Chrome Plated Bath Drain, Grid Strainer Style	3/48

Tub Strainer Swivel Adapter

- Coarse thread size and normal-sized male end to fit into 1-1/2" female socket of trap
- Swivel nut design with included washer provides a tight fit to bottom of drain
- Compatible with many standard bath tub strainers and traps
- Durable, high-impact ABS plastic construction
- Common adapter found in RV drains for tubs and shower stalls
- Complete with washer in female swivel side

PART NO.	DESCRIPTION	CTN/MSTR
RVP010	ABS Trap Adapter, 1-1/2" Sp x FPT Swivel	3/12

Bathtub Trap

- For use in recreational vehicles, mobile homes and similar applications
- Made from black ABS
- 1-1/2" Socket inlet fits standard ABS pipe or RVP010 adapter
- 1-1/2" Socket outlet fits standard ABS DWV pipe
- Non-metallic construction is corrosion resistance
- Union provides a swivel for easy adjustability
- ABS primer and solvent weld cement are required (not included)
- Use with RVP010 for attaching trap to strainers

PART NO.	DESCRIPTION	CTN/MSTR
RVP081	1-1/2" ABS Bath Trap	3/12

Bathroom Trap

- For use in recreational vehicles, mobile homes and other applications
- Made from black ABS
- 1-1/4" Slip-joint inlet to fit all bathroom drains
- 1-1/2" Socket outlet fits standard ABS DWV pipe
- Non-metallic construction provides corrosion resistance
- Union provides a swivel for easy adjustability
- ABS primer and solvent weld cement are required (not included)

PART NO.	DESCRIPTION	CTN/MSTR
RVP080	1-1/2" ABS Sink Trap	3/12

Plastic Roof Vent Cap

- Easy to install roof vent cap protects RV roof vent stack and interiors from the elements
- Durable white plastic construction
- Fits most RV roof vent stacks
- Sealant and vent screening sold separately
- With screw to hold top of cap onto body

PART NO.	DESCRIPTION	CTN/MSTR
RVP032	Plastic Roof Vent Cap	3/48

Aluminum Roof Vent Cap

- Easy to install roof vent cap protects RV roof vent stack and interiors from the elements
- Aluminum construction
- Fits most RV roof vent stacks
- Durable Brass construction

PART NO.	DESCRIPTION	CTN/MSTR
RVP033	Aluminum Roof Vent Cap	3/48

Shower Arm with Escutcheon

- Standard 1/2" thread size for compatibility with existing hook-ups
- 6" Shower arm
- Non-metallic construction
- Chrome finish
- 2-1/4" Flange diameter
- Threaded flange to lock assembly to the wall

PART NO.	DESCRIPTION	CTN/MSTR
RVP075	Shower Arm with Escutcheon	6/36

Shower Heads

Finishes available:

- Finishes match most decor
- Non-metallic construction
- 1/2" Standard female thread
- California Compliant flow rate
- Ideal for RVs and mobile homes

PART NO.	DESCRIPTION	CTN/MSTR
RVP115	Chrome Plated Plastic Shower Head	6/60
RVP104	White Plastic Shower Head	6/60

Garden Tub Faucet Replacement Spout

- Chrome finish
- Standard fit works in most garden tubs without any modifications
- Kit includes both a base washer and shank washer for tight, positive seals
- Non-metallic construction is corrosion-resistant

PART NO.	DESCRIPTION	CTN/MSTR
RVP030	Spout For Garden Tub Faucet	3/48

Tub/Shower Diverter Spout

- Fits virtually all 4" standard diverter faucets, both exposed or concealed
- Non-metallic spout
- Chrome finish
- Kit includes a fitted O-ring and set screw for installation

PART NO.	DESCRIPTION	CTN/MSTR
RVP031	Diverter Spout For Tub/Shower Faucet	3/48

Tub Spout

- Chrome plated zinc die cast
- Fits the 1/2" fitting of a female-threaded stub out
- Designed for RV and mobile home bathrooms
- Threads at the nose
- Blister card packaging

PART NO.	DESCRIPTION	CTN/MSTR
RVP113	Chrome Plated Tub Spout	3/48

Diverter Tub Spout

- Chrome plated zinc die cast
- Fits the 1/2" fitting of a female threaded stub-out
- Threads and diverter at the nose

PART NO.	DESCRIPTION	CTN/MSTR
RVP114	Chrome Plated Diverter Tub Spout	3/48

Replacement Parts for Diverter Tub Spouts

- Includes cup holder, cup washer and lift arm
- Stops leaks by replacing essential diverter components
- Standard equipment sizes for most mobile home and RV diverters

PART NO.	DESCRIPTION	CTN/MSTR
RVP065	Diverter Parts for Tub Spouts	6/24

Kitchen Spout

- Polished chrome finish
- Compatible with most non-metallic swing-spout style kitchen faucets
- Durable plastic construction is corrosion resistant

PART NO.	DESCRIPTION	CTN/MSTR
RVP073	Chrome Plated Spout for Kitchen Faucets	6/24

Threaded Closet Flanges

- Provides a firm attachment between the toilet and the floor
- 3" Male threads
- Meets National Pipe Thread standards
- ABS construction for corrosion resistance
- Black

PART NO.	DESCRIPTION	CTN/MSTR
RVP153	Male Threaded Plastic Toilet Floor Flange	3/24

- Provides a firm attachment between the toilet and the floor
- 3" Female threads
- Meets National Pipe Thread standards
- ABS construction for corrosion resistance
- Black

PART NO.	DESCRIPTION	CTN/MSTR
RVP154	Female Threaded Plastic Toilet Floor Flange	3/24

Tub & Shower Valve Flange

- Chrome finish
- Non-metallic, plastic construction
- Internal threads match threads on faucet body
- Compatible with most RV and mobile home 2-handle and 3-handle shower valves

PART NO.	DESCRIPTION	CTN/MSTR
RVP078	Plastic Shower Valve Flange	6/24

Faucet Handles

- Fits bathroom, kitchen and tub faucets
- Standard fit J broach handle will fit any stem with a J broach
- Includes one hot handle, one cold handle, screw covers and standard mounting screws
- Clear acrylic handles

PART NO.	DESCRIPTION	CTN/MSTR
RVP067	Acrylic Faucet Handles, Clear	4/16

- Fits bathroom, kitchen and tub faucets
- Standard fit S or half-moon shaped broach handle will fit any stem with an S broach
- Includes one hot handle, one cold handle, screw covers and standard mounting screws
- Clear acrylic handles

PART NO.	DESCRIPTION	CTN/MSTR
RVP072	Acrylic Faucet Handles, Utopia Style, Clear	4/16

- Zinc construction
- Chrome finish
- Standard fit that matches with the J broach handle of bathroom and kitchen fixtures

PART NO.	DESCRIPTION	CTN/MSTR
RVP103	Chrome Plated Handles For Streamway	4/16

Plastic Faucet Stems

- S-Broach
- Fits Delta®, Delex®, and other faucets that have a half-moon broach
- Includes stem, seat, and spring
- For bathroom, tub/shower and kitchen
- Replaces both hot and cold sides of the faucet
- Durable plastic construction with stainless steel base
- Reference #3S-8HC

PART NO.	DESCRIPTION	CTN/MSTR
RVP005	3S-8HC Stem For Delta®, Delex® With Seat and Spring, Hot/Cold	6/24

- J-Broach
- Fits Streamway by Moen®
- For bathroom and kitchen
- Replaces both hot and cold sides of the faucet
- Durable plastic construction
- Reference #3J-1HC

PART NO.	DESCRIPTION	CTN/MSTR
RVP099	3J-1HC Stem For Streamway by Moen®, Hot/Cold	6/24

- J-Broach
- Fits Bristol®, BPC®
- For bathroom, tub/shower and kitchen
- Replaces both hot and cold sides of the faucet
- Durable plastic construction
- Reference #3J-3HC

PART NO.	DESCRIPTION	CTN/MSTR
RVP100	3J-3HC Stem For BPC®, Bristol®, Hot/Cold	6/24

- J-Broach
- Fits Phoenix®
- For bathroom, tub/shower and kitchen
- Replaces both hot and cold sides of the faucet
- Durable plastic construction
- Reference #3J-9HC

PART NO.	DESCRIPTION	CTN/MSTR
RVP151	3J-9HC Stem For Phoenix®, Hot/Cold	6/24

- J-Broach
- Fits Phoenix®
- Diverter (center) stem for 3-Handle tub/shower
- Durable plastic construction
- Reference model #7J-9D

PART NO.	DESCRIPTION	CTN/MSTR
RVP160	7J-9D Stem For Phoenix® Diverter (Center)	6/24

Brass Faucet Stems

- J-Broach
- Fits American Brass, Empire, Tiger and other faucets
- For kitchen, lavatory and bath faucets
- Replaces both Hot and Cold sides of the faucet
- Durable Brass construction
- Reference #2J-1HC

PART NO.	DESCRIPTION	CTN/MSTR
RVP064	2J-1HC for American Brass, Empire, Tiger	4/24

- J-Broach
- Fits American Brass
- For kitchen and lavatory faucets
- Replaces both Hot and Cold sides of the faucet
- Durable Brass construction
- Reference #2J-2HC

PART NO.	DESCRIPTION	CTN/MSTR
RVP068	2J-2HC for American Brass	6/24

- J-Broach
- Fits Moen, Empire, Tiger
- For kitchen and lavatory faucets
- Replaces both Hot and Cold sides of the faucet
- Durable Brass construction
- Reference #2J-5HC

PART NO.	DESCRIPTION	CTN/MSTR
RVP069	2J-5HC for Moen, Empire, Tiger	8/24

- J-Broach
- Fits Moen, Phoenix
- For kitchen and lavatory faucets
- Replaces both Hot and Cold sides of the faucet
- Durable Brass construction
- Reference #2J-8HC

PART NO.	DESCRIPTION	CTN/MSTR
RVP070	2J-8HC for Moen, Phoenix	8/24

- J-Broach
- Fits Streamway by Moen
- For kitchen and lavatory faucets
- Replaces the Hot side of the faucet
- Durable Brass construction
- Reference #2J-6H

PART NO.	DESCRIPTION	CTN/MSTR
RVP101	2J-6C for Streamway by Moen	6/24

- J-Broach
- Fits Streamway by Moen
- For kitchen and lavatory faucets
- Replaces the Cold side of the faucet
- Durable Brass construction
- Reference #2J-6C
